We do not make custom fitments for other H-D motorcycles. Customers may be able to customise the fitments above - drawings are available - but we cannot advise on customisation.						

V-Twins:		
1. Generic adaptor which allows for customised fitment	33001, 33003	
2. Choose the size of wheel from the list below		
3. Wheels exclude bearings - please use the OEM bearings and OEM spacers		

Some rotor spacing may be required depending on model and application.

**Choose the SIZE of wheel to suit the above motorcycle models:
Check clearance for special sizes that are non-OEM standard size**
